The Honorable William H. Webster
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

On January 27, 1989, Beverly Sills will join the St. Louis community and the May Company in celebrating the March of Dimes 50th Anniversary at an evening of fun featuring St. Louis celebrities demonstrating their cooking expertise and a Victor Costa Originals fashion show.

Last year, Washington University and St. Louis University Medical Centers and Cardinal Glennon Children's Hospital received nearly $300,000.00 in research and program grants from the March of Dimes. A few years ago, 95 percent of full-term infants born with certain congenital lung disorders died. Now, because of help from March of Dimes research grantees, 75 percent to 85 percent of similarly afflicted babies will live and go on to lead normal lives.

We need your help. Will you lend your name to the committee in supporting this event which will benefit research and local care for children who are victims of birth defects?

There will be a wine and cheese party for the committee in October to hear further details about this celebration.

Please send in the enclosed postcard and join us for this happy event.

Sincerely,

Ellen R. Conant
Chairman

William E. Maritz
